Hana Dostálová ciat.kromeriz@seznam.cz Tel: 00420 731163450

Technical provisions

- **Each participant must have liability insurance**

Veterinary regulations:

- **Before unloading the horses, it is necessary to hand in relevant veterinary documents (Horse Identification Charts +TRACES) which have to contain valid documents permitting horse transport according to the 2023 Veterinary regulations.**
- The participants are obliged to follow the instructions given by responsible person assigned by the organizer, including instructions on horse unloading before the arrival of the vet.
- Horse Identification Charts must be stored during the competition at the race secretary for the purpose of possible check by the State Veterinary Administration Office.
- Furthermore, the Horse Identification Chart must contain a proof that the horse is vaccinated in accordance with the vaccination pattern provided by the

producer of the vaccination. The horse must be immune to **equine influenza** (horse flu); the last vaccination must have been executed at least 7 days prior to the event. Any horse older than 12 months must have undergone a laboratory test on **equine infection anaemia** with negative results **within 12 months prior to the event**.

**In case of problems with veterinary documents, please contact
MVDr. Milan Krpec - m.krpec.kvsz@svscr.cz**

A horse coming from an EU Member State must be accompanied by a veterinary certificate (TRACES) issued by the competent authority of the Member State of origin in accordance with Article 143 of Regulation (EU) 2016/429 and complying with the requirements of Article 76 of Commission Delegated Regulation (EU) 2020/688.

General information

- The organiser is not responsible for any injury of a horse or person, neither for accident, illness, item loss or damage. All costs associated with the participation in the competition are covered by the participant.
